

**Edward Brown, DC, DABCI**  
**Professor - Department of Diagnosis & Clinical Applications**

Dr. Edward Brown is a 1981 magna cum laude graduate of Western States Chiropractic College. He has extensive postgraduate training, which includes certification as a diplomate of the American Board of Chiropractic Internists (DABCI), and a fellow of the International Academy of Clinical Acupuncture (FIACA).

Dr. Brown has previously served as:

- ◆ Chair, Department of Diagnosis & Clinical Applications at Parker College
- ◆ A test committee member of the Part II & III National Board of Chiropractic Examiners
- ◆ Vice President of the American Board of Chiropractic Internists, the national testing agency that certifies proficiency in his specialty

Dr. Brown has been listed in:

- ◆ Who's Who in America
- ◆ Who's Who in Medicine and Health Care
- ◆ Who's Who Among America's Teachers

Prior to becoming a chiropractor, Dr. Brown graduated magna cum laude from the University of Utah, with a BS in Social Science, and was elected to the Phi Beta Kappa and Phi Kappa Phi national honor societies. Prior experience in the health field includes working as an EMT and a US Air Force Aeromed tech.

Dr. Brown is a co-founder of the *Natural Medicine* forum on CompuServe, and has a special interest in computer-assisted diagnosis, artificial intelligence, and all phases of integrating computer technology into natural health care.
