Faculty/Staff Student Organization Advisor Agreement

Organizations must have an advisor who is a faculty or staff member (no one may serve as an advisor for more than two student organizations/clubs).

Technique clubs must have an advisor who is a faculty member and a licensed DC in the State of Texas.

- Meetings with outside speakers require the attendance of the advisor or his/her designated person.
- The advisor or his/her designate must be present at all meetings or activities where any form of chiropractic care as defined by state statutes is practiced or demonstrated.
- The acceptable standard of care must be followed for any chiropractic treatment which is practiced or demonstrated.
- Meetings with Faculty/Staff as Speakers - regular full/part-time faculty and staff may be invited to speak or make presentations. Faculty and staff speakers are prohibited from charging fees, accepting gifts, donations, or gratuities; however, they may be reimbursed for the cost of supplies or handouts, with proper documentation. The advisor is not required to attend. In the absence of the advisor, the student organization President is responsible for the maintenance and security of the meeting room and equipment.
- Be informed of the university's policies and procedures as outlined in the Student Handbook and Student Organization Handbook and guiding the organization to follow these.
- If it is necessary for an advisor to resign his or her position as advisor, he or she shall notify the organization and Student Affairs.
- Sign all facilities requests, recognition forms, and speaker approval packets, fundraising requests and other official correspondence between the organization and Student Affairs Office.

I understand the purpose of the club and I am willing to make a commitment to attend meetings and events as outlined in the Student Handbook and agree to the terms outlined above.

In addition, use of the facilities and equipment shall be in accordance with all policies, procedures, rules, and regulations of Parker University concerning the use of such facilities and equipment. Organization may not assign the right to use the facilities or equipment to any other person.
2. **Liability for Loss or Damage.** In the event that the facilities or equipment are lost or damaged in any way, Organization agrees to pay Parker University the replacement cost for the Equipment or the cost to repair the facilities or equipment, if less than the replacement cost. Organization agrees to pay such amount even if the loss or damage results from a cause beyond Organization's control, such as the negligent or criminal conduct of a third party.
3. **Indemnity.** Organization agrees (a) to pay for and assume full liability for any loss or damage to any person or property or claims for such losses resulting or arising from the use of the facilities and equipment, (b) to reimburse or hold harmless Parker University, its Trustees, agents, employees, and representatives from any such loss, damage, or claim, including attorneys' fees, (c) to pay any attorney's fees paid or incurred by Parker University to enforce any of Organization's obligations under this Agreement.

5. **Waiver of Liability.** In no event will Parker University be liable for any actual damages, lost profits or revenue, special, incidental, consequential, indirect, or punitive damages, even if Parker University has been advised of the possibility of such damages. Parker University's total liability arising from or related to use of its facilities and equipment is limited to a refund of the amount, if any, paid for use of the facilities and equipment. These terms and conditions define the sole and exclusive remedies of Organization.
6. **Right to Rescind.** If the facilities or equipment are required for university purposes, the University may withdraw the permission to use the facilities or equipment at any time, with or without previous notice. The university may, at its option, move the Organization's event to another room, comparably equipped, with no change in cost to the Organization.
7. **Return of Equipment.** At or prior to the time specified on the front, the facilities equipment shall be returned to Parker University in the same condition as when the facilities and equipment were checked out.
