

# **REMOTE LIBRARY ACCESS USING EZPROXY**

**By Denise Bennett  
Reference Librarian**

**Updated 01/15/2013**

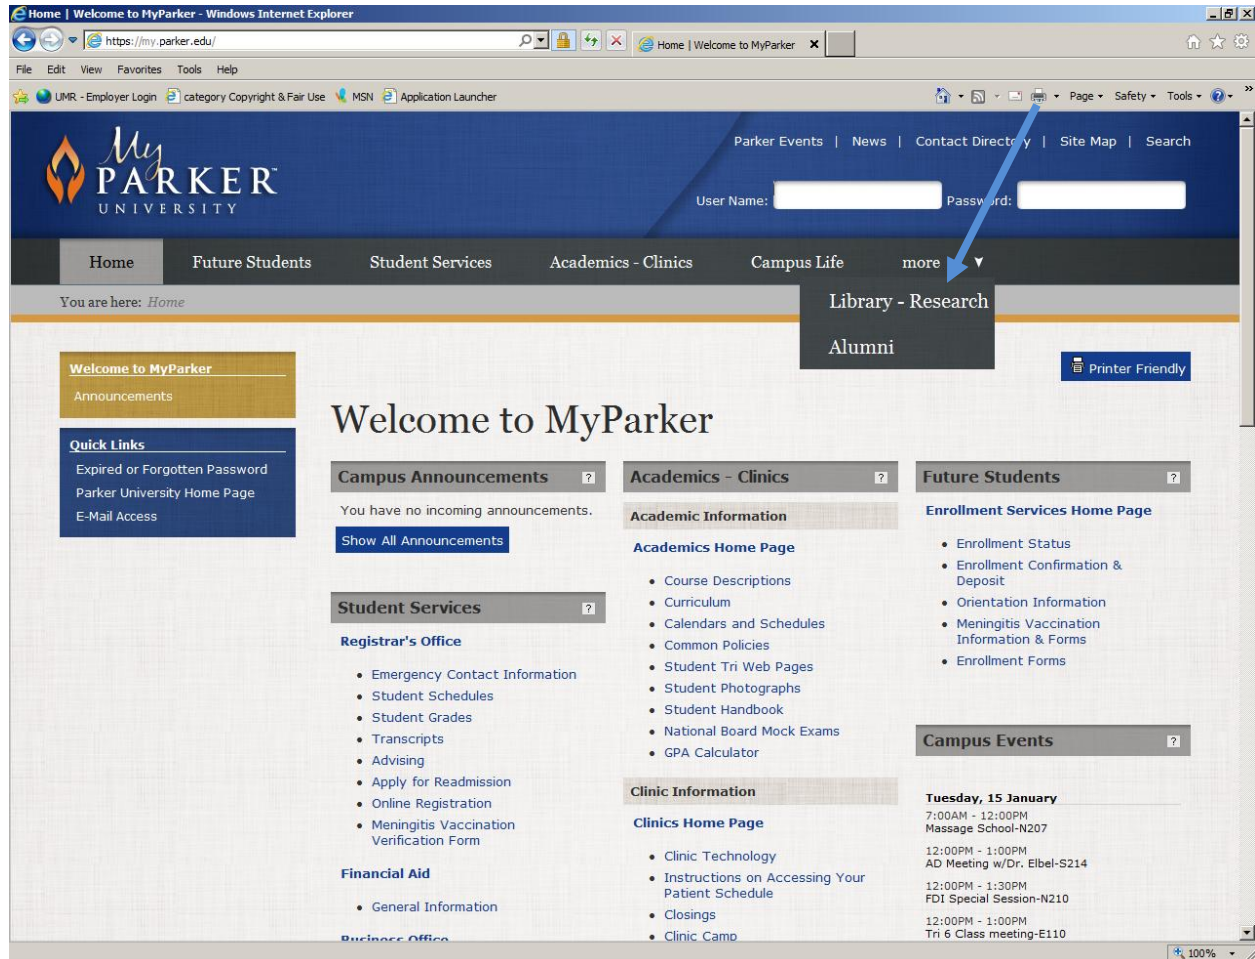

## REMOTE LIBRARY ACCESS USING EZPROXY

1. Go to [www.parker.edu](http://www.parker.edu) and click on the “MyParker” tab.

## REMOTE LIBRARY ACCESS USING EZPROXY

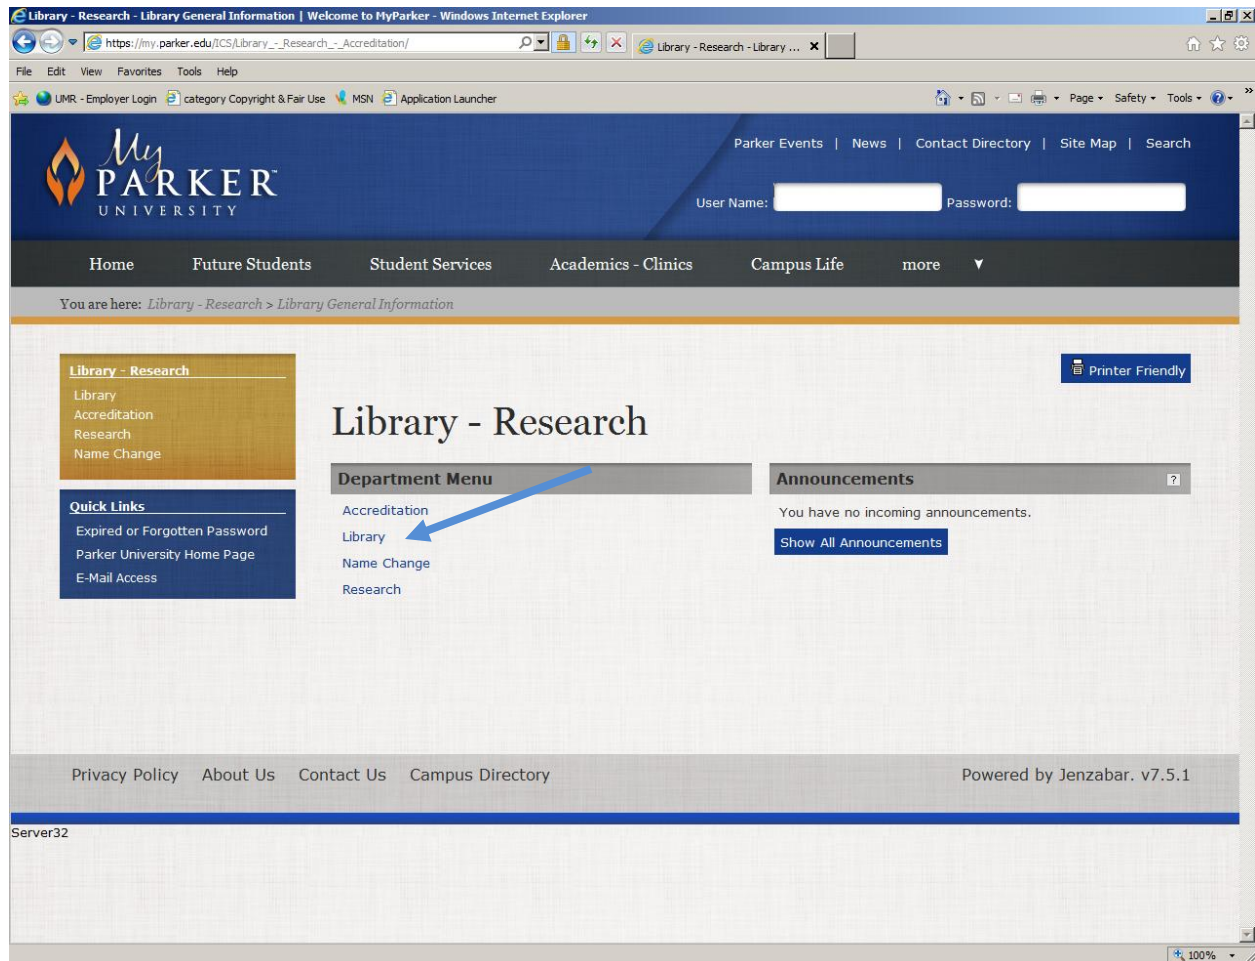

2. Next, click on “Library-Research”.

2.

## REMOTE LIBRARY ACCESS USING EZPROXY

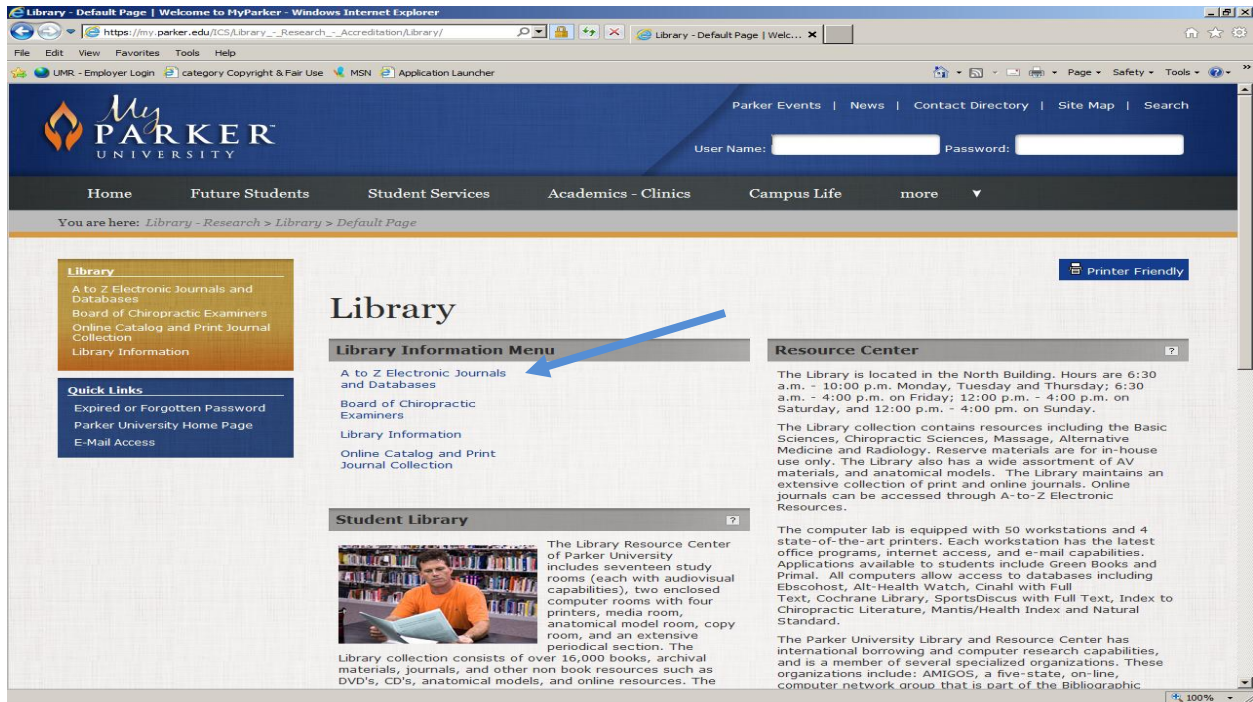

3. You will see this page. Click on “Library”, under “Department Menu”.

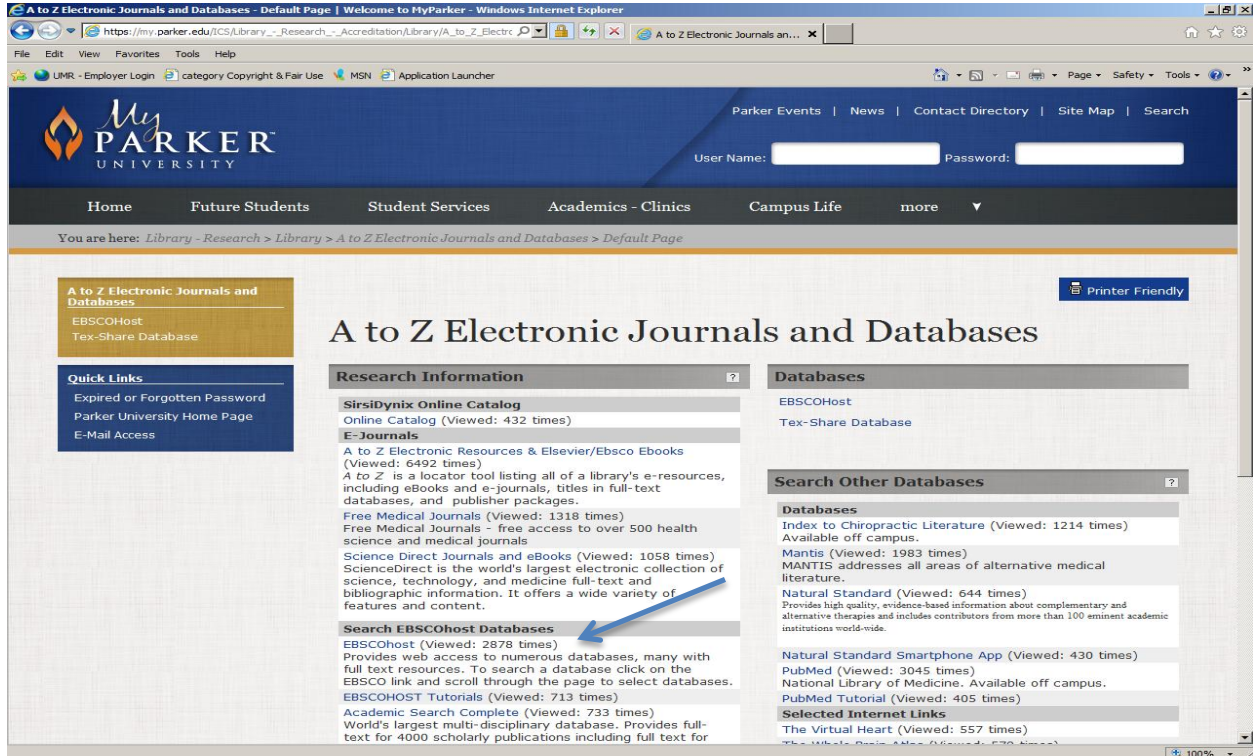

## REMOTE LIBRARY ACCESS USING EZPROXY

4. Then click on "A-Z Electronic Journals and Databases" link under "Library Information Menu".

5. Next, select a database and click.

## REMOTE LIBRARY ACCESS USING EZPROXY

6. This will prompt the “Login” window to appear. Enter your “Username” and “Password” in the designated areas. Press “Login”, and you will have access to the Parker Library databases.
