## Search EBSCOhost Database using “Basic Search”

\*Go to [www.parker.edu/journals](http://www.parker.edu/journals)

\*Click “EBSCOhost”, under the gray “Search EBSCOhost Databases” bar.

\*Select databases you wish to search (Check mark will appear in box when selected).

\*When finished with selections click “continue”.

### FOR BASIC SEARCH (USING ONE TERM):

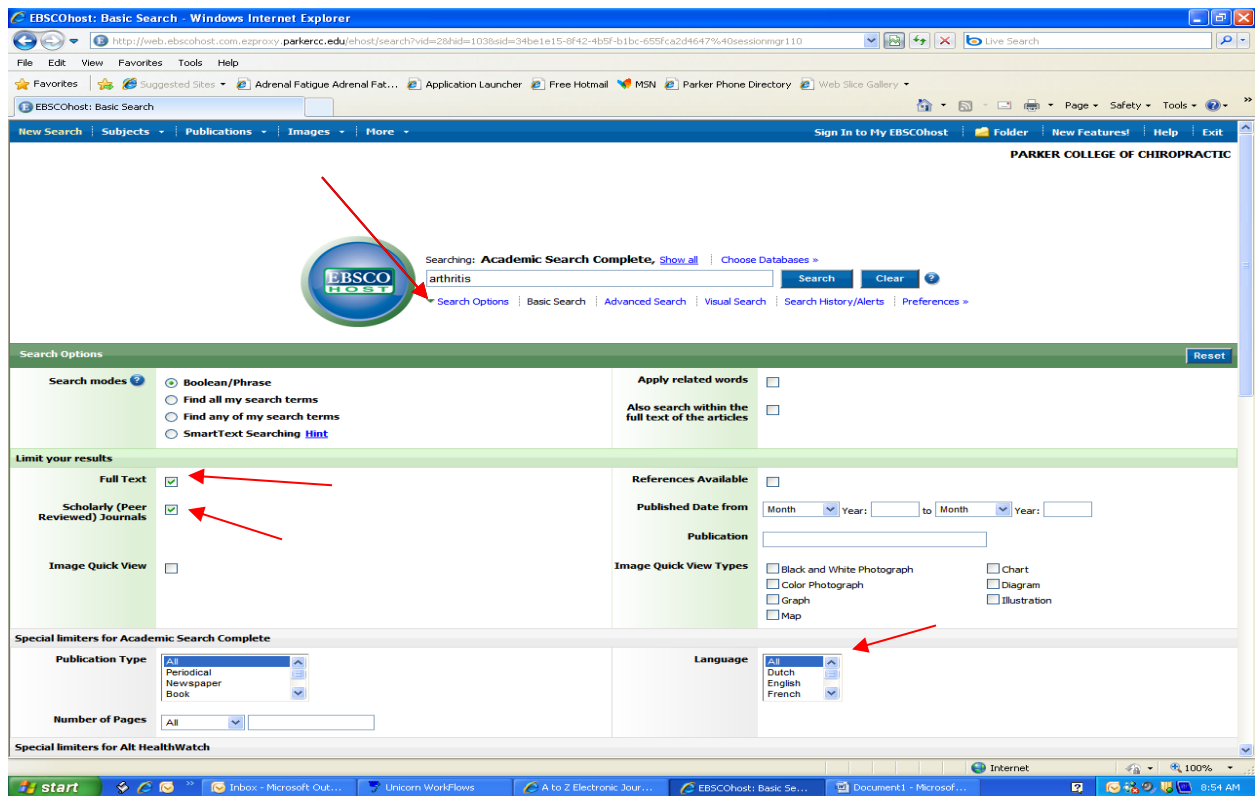

\* You should be on “Basic Search” page.

\*Type word or term in “Search” window. Example below is “arthritis”.

\*For only full-text articles select “Full Text” (make sure all boxes for “Full Text” are selected on page).

\*Select “Scholarly Peer Reviewed Journals” if wanting those articles (make sure all boxes for “Scholarly Peer Reviewed Journals” are selected on page).

\*Can limit to specific “Language” or “All” (for articles in all languages). **See below screenshot.**

## SEARCH EBSCOHOST USING BASIC AND ADVANCED SEARCH TECHNIQUES

\*Click on “Search”.

\*Results should contain only full text, scholarly peer reviewed articles, in all languages.

See below screenshot.

The screenshot displays the EBSCOhost search results page for the query 'arthritis'. The search was performed in the Academic Search Complete database. The results are sorted by date in descending order. Five articles are listed, each with a 'Linked Full Text' icon. The first article is 'Epigenetics and autoimmunity' by Brooks, Wesley H.; Le Dantec, Christelle; Pers, Jacques-Olivier; Youinou, Pierre; Renaudineau, Yves. The second is 'Coordination of tolerogenic immune responses by the commensal microbiota' by Round, June L.; O'Connell, Ryan M.; Mazmanian, Sarkis K.. The third is 'Effects of tobacco smoke on immunity, inflammation and autoimmunity' by Arnsion, Yoav; Shoenfeld, Yehuda; Amital, Howard. The fourth is 'The implications of autoimmunity and pregnancy' by Borchers, Andrea T.; Naguwa, Stanley M.; Keen, Carl L.; Gershwin, M. Eric. The fifth is 'Geoepidemiology and environmental factors of psoriasis and psoriatic arthritis' by Chandran, Vinod; Raychaudhuri, Siba P.. The interface includes a sidebar with navigation options, a search filter section, and a 'Limit your results' section.

## READ AN ARTICLE:

\*To read an article click on “Full Text” or “Link to Full Text” icon, and article should appear in full text.

\*Click “PDF” and article will appear as shown in journal, and charts, graphs and pictures will be shown in normal size.

\*Click on “print icon” to print article.

## Search EBSCOhost Database using “Advanced Search”

\*Go to [www.parker.edu/journals](http://www.parker.edu/journals)

\*Click “EBSCOhost” under the gray “Search EBSCOhost Databases” bar.

\*The select databases you wish to search (Check mark will appear in box when selected).

\*When finished with selections click “continue”.

### FOR ADVANCED SEARCH (USING 2 OR THREE SEARCH TERMS)

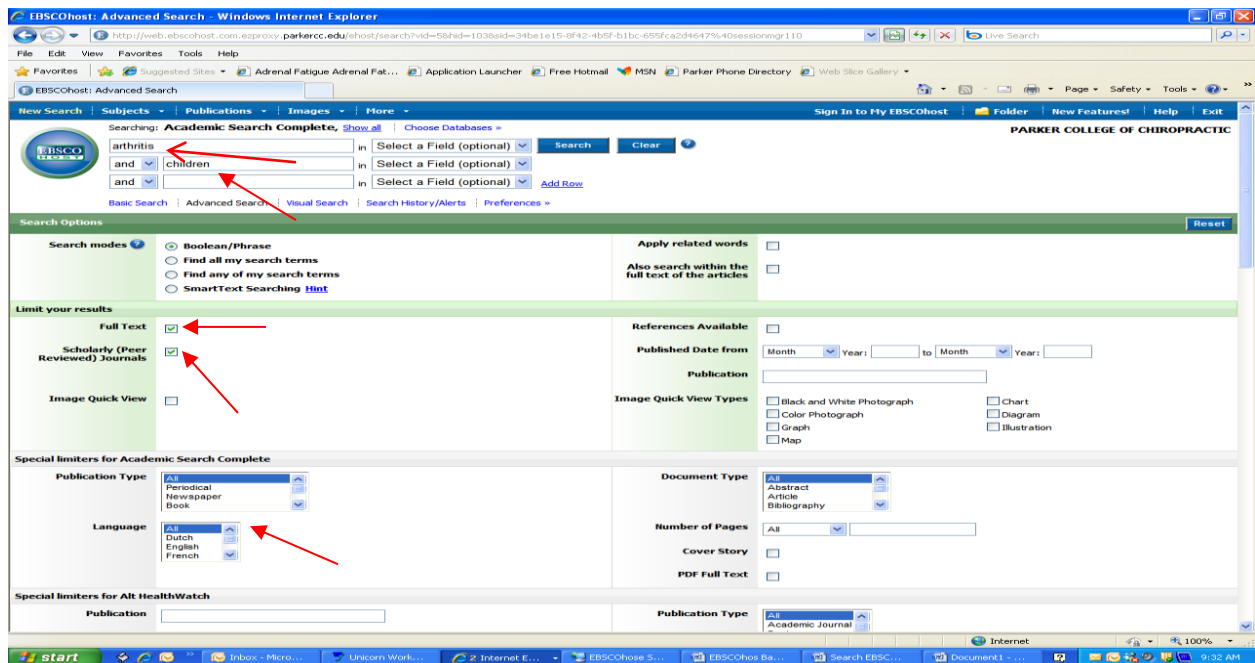

\*You should be on “Advanced Search” page.

\*Type word or term in “search” windows. You may choose to use “Select a Field” for “Title” or “Author”, if looking for a specific title or author. When searching a general term, “Select a Field” may be left optional. Example below shows “arthritis” and “children”.

\*For only full-text articles select “Full Text” (make sure all boxes for “Full Text” are selected on page).

\*Select “Scholarly Peer Reviewed Journals” if wanting those articles (make sure all boxes for “Scholarly Peer Reviewed Journals” are selected on page).

\*Can limit to specific “Language” or “All” (for articles in all languages). See screenshot below.

## SEARCH EBSCOHOST USING BASIC AND ADVANCED SEARCH TECHNIQUES

\*Click on “Search”.

\*Results should contain only full text, scholarly peer reviewed articles, in all languages.

See below screenshot.

The screenshot shows a Windows Internet Explorer browser window displaying the EBSCOhost search results page. The search criteria are 'arthritis and children'. The results are sorted by 'Date Descending' and show 10 results out of 1409. The first three results are visible, each with a 'Linked Full Text' icon and a 'PDF Full Text' icon. The first result is 'The implications of autoimmunity and pregnancy' by Borchers, Andrea T.; Naguwa, Stanley M.; Keen, Carl L.; Gershwin, M. Eric. The second result is 'Frequency of neuro-psychiatric dysfunction in anti-SSA/SSB exposed children with and without neonatal lupus' by Askane, A.D.; Izmirly, P.M.; Katholi, M.; Mumtaz, J.; Buyon, J.
