

My free service includes:

- Personal consultation regarding your housing needs and requirements.
- A free search of over 3000 apartment, condo and townhouse communities.
- Multiple Listing Service (MLS) for properties available to purchase.
- Up to the minute information on specials offered by your selected communities.

You tell me.....

- Where do you want to live?
- What size home do you need?
- What is your price range?
- Do you have pets?
- When do you need to move?
- Are you planning to lease or purchase a home?

I'll tell you.....

- Which communities have homes available for your move-in date.
- The prices of each apartment or home and amenities offered.
- Current specials and how that can affect your decision process.
- The exact location of each community, including maps.
