

Parker Cares 365 Verification Form- Winter 2026 Term

Thank you for choosing to serve!

The Department of Student Affairs is excited to offer Parker students the opportunity to make a meaningful impact in the DFW community through service with our Parker Cares partners each trimester.

- Most volunteer shifts last between 1.5–2 hours, depending on the site.
- Some of our partner sites offer alternative volunteer opportunities, such as virtual work or donation drop-offs. Prior approval from the Office of Student Affairs is required, as these will be reviewed and authorized on a case-by-case basis.
- **DC & DCB Students:** Earn *one (1) General Assembly Credit* for each volunteer shift completed with a partner site (up to *two (2) credits* per trimester).
- **Non-DC Students:** Receive one entry into a gift card drawing for each volunteer shift completed with a partner site (up to *two (2) entries* per trimester).
