

Welcome to Summer 2020!

In this newsletter:

1. [Research Center's new employee: Mr. Zak Monier](#)
2. [Student PIE Summer Events](#) – Not to be missed!
3. [Recent Parker Publications](#)
4. [Parker Research Activities](#)
5. [Reminders!](#)

Welcome Mr. Zak Monier!

The Research Center is pleased to welcome, Mr. Zak Monier, as the Center's first PROJECT MANAGER! While new to this role, he is not new to Parker, he has been serving as our consultant Research Coordinator for studies that we were conducting in collaboration with Nutrient. Zak has a Masters of Nutrition & Dietetics and is a Registered Dietitian with experience conducting and publishing research. Welcome to team!

Student P.I.E. Events
