### Other Fees

Degree programs with Majors that require a special laboratory fee will be assessed a fee accordingly or if it requires the purchase of a student kit, it may be purchased at the university bookstore.

Textbook prices are available on the student portal by course. Students taking online courses who have the

textbooks shipped will make direct payment online and textbook will be immediately shipped to them.

### Uniforms, Tests, Supplies, and Special Fees

Some health care related programs may require students to wear appropriate apparel to class or during their clinical experience while in their major courses. This apparel is available through the Campus Bookstore. Students are also required to furnish their own personal school supplies such as pencils, pens, erasers, notebooks, calculators, dictionaries, as well as tape recorders (if permitted). Special courses, workshops and seminars may be held throughout the year for various interest groups, including business and industry. The fee for this type of course is published as far in advance as practical and is non-refundable.
