Tuition is computed on the assumption that a student remains throughout the academic year. Since a place in class has been reserved for each student, tuition is refunded in accordance with the University refund policy. A student withdrawing from the University must comply with proper clearance procedures as outlined in the catalog. Reductions in indebtedness are made solely at the discretion of the University for withdrawals necessitated by conditions beyond a student's control such as an emergency acceptable to the University. Refunds or reductions in indebtedness are processed after all required approvals are documented on a withdrawal form. Students are obligated for all charges (tuition/fees/books/supplies) for the semester they are currently attending plus any prior account balance. A semester of sixteen (16) weeks consists of four (4) consecutive four (4) week terms of instruction.

**CANCELLATION/WITHDRAWAL CALCULATION**

Cancellation made on or before the Friday of the first week of class of the semester will result in 100% refund of tuition and any refundable fees. (The University retains the application fee and the tuition deposit.) A 75% of tuition and fees will be refunded if withdrawal is made on or before the Friday of the second week of the start of each semester. A 50% of tuition and fees will be refunded if withdrawal is made on or before the Friday of the third week of the start of each semester. The student is required upon withdrawal to meet with the Director of Financial Aid or Financial Aid Coordinator to discuss the process of returning funds and to perform an exit counseling interview. During this time the staff member will verify the address of the student, distribute handouts as to when the loans will go into repayment, the repayment amount, and the process for re-admission. All refund calculations are based on the current total tuition and fees paid or due. If a student will be withdrawing, then the student should visit the Registrar’s Office to begin the withdrawal process. This procedure will enable Parker University to refund the maximum possible institutional charges.

Worksheets to determine the amount of the refund are available in the Financial Aid Office. Students will be notified within 30 days from the date of withdrawal of the funds returned. All refunds are processed as soon as possible but no later than 45 days from the date of withdrawal.
