4. Parker's Prez2Pub – Is back and in a new format!

The goal of Prez2Pub is to assist those individuals with a completed study (and potential have presented it at scientific conferences) to complete their manuscript.

Every other Friday, starting Jan. 18th, research personnel, coffee, and snacks will be available to assist you (and/or your team) to complete your manuscript.

We look forward to working with you to complete this scholarly and worthwhile task.

Mark your calendar:
